

# Pipe Ersatz-ID's

Zusätzlich kannst du auf dem Minecraft-Server, **`/pipeid`** in den Chat eingeben, um dir die ID eines Items anzeigen zu lassen. Halte dafür das Item in deiner Hand. Bei Items mit einer zu langen Name-ID, wird nur die Ersatz-ID angezeigt.

Wenn du bemerkst, dass ein Item in der Liste fehlt, schreibe dies einem Teammitglied, damit wir das Item ergänzen können.

## Spawn-Eier
